Ron has put together some large images of the different options we have to present to them. Joan has completed the application and emailed it in already.

Ray talked about the land behind the Foothills and stated that he spoke with the owners and they are more than willing to work with us on working the land and making it doable for Oxen pull & Woodsman or anything else we could need it for in the future. – We will revisit this for possible future plans for the festival.

Ray also stated that we now have documents for the Board and Directors insurance to review.

Beck talked about how Keegan might want to take over the Farm and Field section of the Festival. She will mentor him on what she does with the vendors and how that works.

There was talk about a BBQ after the festival to thank all the volunteers for helping. – Ginger could potentially be in charge of this. We will revisit this topic later.

Advertising needs to be looked at... getting back on track with the timeline of events.

Beck is looking into the shirts and how many to order this year.

Kids' Corner – We need to get back in touch with them about the trade that they wanted

Funding Requests are to be in by June 1st – Ron will advertise on website/Facebook to remind people of the deadline.

June 8th is our next meeting at Sugar River Bank. (Could potentially have another meeting before hand to narrow down school decisions, Warner Power decisions, etc.

Ron adjourned the meeting at 8:50pm.
