

March 2017 (renewal)

2017 Warner Fall Foliage Festival Crafts

Hi all,

It's time to gear up for the 70th annual Warner Fall Foliage Festival and crafts fair on **October 7th and 8th, 2017**. The quality and variety of our crafts fair is a big reason people return year after year, and we look forward to having you back for this anniversary event. Please review the details and return the enclosed registration renewal by June 7th to secure your favorite spot.

As in the past, each of you will have the first opportunity to reserve your space for this year. If for any reason we need to reconfigure some areas, we will work with you to make adjustments. Please remember that inside spaces are 8' by 5' and include a 6' table and 2 chairs. Electricity is limited to 200 watts per space and is available inside only against the walls. If you bring your own chairs, they must have rubber feet affixed to them. The elevator cannot be used for moving crafts or supplies in and out. Our outside spaces (located on the Town Hall lawn and the Masonic Hall Lawn) are **10' by 10'** and the set-up is your own. We limit space to one per person or group. Because time is of the essence, **the deadline to ensure your regular spot is June 7th, 2017**. I'll need to make decisions on the new applications soon after that. There is no refund for cancellations after August 15, 2017, and we do not allow the private resale of spaces. Please let me know if you do not plan to return this year so we can reassign the space to another crafter.

As usual, to better serve our exhibitors and decrease demand for nearby parking spaces, set-up will be available on Friday 4-7 p.m. For those setting up tents or booths, we recommend putting up the frames only. Do not leave any supplies overnight on Friday. We will be here at 6 a.m. on Saturday for the convenience of the outside exhibitors. The town hall will open at 7 a.m. for inside exhibitors each day. It is very important that you plan to unload your vehicle and move it to the designated parking lot and then return to set up your booth.

We will have free parking again and I'll send all those details in your final confirmation letter in September.

Remember, the craft/produce/product you sell must be made or grown by you or your group. **We do not allow raffle tickets to be sold because it competes with the Festival raffles. We do not allow t-shirts or any other items that compete with Fall Foliage Festival's products. Only crafts made by you are acceptable. If you want to add a product to your exhibit, please send me photos so I can make sure it doesn't conflict with another vendor.**

The fee for each space is \$150.00 this year. This fee covers the two days of the fair and we expect you for both days. We request all exhibitors to remain open **until 5 p.m. each day**.

In an effort to showcase our crafts & farmer's market vendors, we are again asking our exhibitors to donate an item for our Booster drawing. This has been very popular over the years and we truly appreciate the donations. We will make sure that your name and booth location are posted with your donation so that people can visit you at the festival. Booster prize drop off details will be in the confirmation email, which will be sent out by September 8th.

Thank you for your continued support of the Warner Fall Foliage Festival. Please feel free to email me at crafts@wfff.org if you have any questions. Your email is required to receive your confirmation.

Sincerely,

Cassandra Place
Crafts Fair Coordinator
